# ACCENTS

# VALUE & QUALITY

Rooftop Accents was formed in 2000 with value and quality in mind. We offer the widest selection of both vinyl and wood cupolas in cedar and white pine. All manufacturing and copper fabricating is done in-house for the quickest turn-around and quality. Our lead-time often is between 1 to 3 weeks if not in stock.

We have a satisfied customer base from coast to coast. Serving the United States, Canada, and Europe. In some areas we offer delivery and installation. If you are outside our delivery zone we can palletize and box your order and ship it directly to your door!
